**I'm an eccentric individual
hoping to land a job that would
reflect my wild personality and
pay well, hence my new
vacation spot is the kitchen.**

Skills

My best skill set that comes to mind:

- Adobe Creative cloud (visual data program);
 - FL Studio (sound engineering program) (I've not played Piano and Trombone in a quite the while);
 - Microsoft office (data processing program);
 - Creative thinking (often chaotic or the polar opposite);
 - Athleticism;
 - Dark humor;

Experience

Saldos (internship) / Wonderperson (that tried to find things to make the environment more useful, whilst focusing on commerce)

2016. year. Riga (Latvia, Baltic States, Europe)

During this time frame I was trusted to try to better this accounting firm, unsure, of what to do exactly I was focusing on my duties as an individual

Smaržekļi (internship) / Jack of all trades

2017. year. Riga (Latvia, Baltic States, Europe)

My experience working within this company was that I had the opportunity to sell unique air fresheners amongst other things such as

Compensa (internship) / Assistant (Return department)

2017. year. Riga (Latvia, Baltic States, Europe)

During my experience in Compensa Vienna Insurance Group I've gained inside of filling system and how operations happen behind the scenes.

Evolution Gaming / Game Presenter / Game Host

2017. - 2019., Riga (Latvia, Baltic States, Europe)

Online gambling casino that's shifted towards entertainment industry, using the spillover from live game shows adding it's effect this company

has revolutionized live action game shows and I'm grateful that I've been apart of this wicked rollercoaster It's an stressful experience for which showmanship is necessary.

Company's operates within English environment, therefore it's a great opportunity to develop language skills within Riga city.

Keeping in mind that gambling is an provocative industry there have been set strict guidelines that must be followed in order to keep the industry light and playful.

Lots of communication within the environment is necessary therefore I've became more of a people person also far more of a sinner, yet I think it could've been far different from my side.

Cili Pizza / Pica Cook

2022.09. - 2022.10., Riga (Latvia, Baltic States, Europe)

Gained experienced with working in a food industry, it's fast work, that requires quick thinking. Even, if I'm not up to the industry standards at least I know now how to cook bunch of pizzas due to this experience.

Education

Iļģuciema Highschool / 1-4. Elementary school / 5-9. Secondary school

2004 - 2012., Riga (Latvia, Baltic States, Europe)

Riga National Technical School / Professional-High School diploma qualification "Commercial Worker"

2013. - 2017., Riga (Latvia, Baltic States, Europe)

Riga Technical university / bachelors course "Adaptronics"

2017. - 2018. Riga (Latvia, Baltic States, Europe)

I've studied 1/3 of Latvian Academy of Culture /Riga Technical University bachelors course "Creative Industries"

2018. - 2020. Riga (Latvia, Baltic States, Europe)

I've got an report card that proves this experience.

Awards

When I was younger with my basketball teammates from thanks to

3.BJSS (3rd Kids Youth Sports School)

I've been to Belarus, Poland, Estonia to play basketball. Later rebranded with the following name "**Pārdaugava**" (Basketball) Jersey number #12.

I admit I've got to be more of a benchwarmer, but still I like the game and tried my best to attend practice.
